

## Woking Venue

At just five minutes walk from the station, the centre is located at Fielding House, a converted grain warehouse nestled in the heart of Woking. Just a stone's throw from shops, banks, cafes and restaurants, we are doors away from the new Lightbox gallery and not far from Surrey History Museum. Home to famous business names such as McClaren and Woking FC, the town boasts excellent road, air and rail links at less than 26mins from Waterloo.
